2011-2012 Parent Welcome Packet

Welcome!

As a parent or guardian of an AGIS student, you play an extremely important role in your child's education. The AGIS PTA provides opportunities for all parents to participate directly in activities and events that enrich your child's learning experience. From assemblies and field trips to social events and reading clubs, the AGIS PTA supports over 40 unique activities each school year. Please take a moment to look through this packet and consider becoming a member and volunteer. ALL are welcome, and ANY help is appreciated!

What's In This Packet

What We Do - A brief overview of the activities, events and fundraisers the PTA will conduct during the school year. Volunteers are always needed for each event. Visit our website at agispta.org for a complete list of events and activities.

Who We Are - Names and contact information for our current AGIS PTA committee chairpersons and executive board members.

Response Sheet - Sign up for PTA membership and select options for handling your personal information in the student directory. **Please return the response sheet by 9/16.**

What We Do

The AGIS PTA is a non-profit, all-volunteer organization that supports the students, teachers and administrators of AGIS. Our first and only focus is to increase the quality of our children's educational experience. We raise money throughout the year, mostly by selling a variety of high-quality goods and services to parents and the community. We also receive generous support from local businesses. All proceeds go directly to specific

student programs and teacher-requested projects, such as Reading Olympics and Dr. Suess Day. Every school day, and most weekends, PTA volunteers are working directly with or for students. Programs managed by the AGIS PTA include: after-school enrichment, artist-in-residence, author-in-residence, book fairs, family fun nights, the nationwide Reflections art program, and the school store (get your Spirit Wear!). We also provide funding for assemblies, clubs, events, instructional support materials and technology. A complete list of our work can be found at our website, agispta.org

Who volunteers? You do!

The PTA is only as successful as its volunteers. Everyone can contribute – no matter how busy you are or what your occupation is. All you need are a desire to help and whatever moments you can spare. There is something for everyone, including dads! Just contact any PTA member, and we will find an activity that fits your schedule. It's that easy! Even one hour once a year can make a big difference.
